

**APPLICATIONS**

- General high pressure air, nitrogen and light gaseous transfer.

**COVER**

- Pin-pricked, smooth long lasting wrapped finish in Neoprene (CR) rubber that is weather resistant and abrasion resistant

**TUBE**

- Smooth Neoprene (CR) special compound

**REINFORCEMENT**

- Piles of high strength synthetic cords

**MARKING**

- Kingflex® Neoprene N2 Hose

**COLOUR**

- Special colours on request\*

**TEMPERATURE**

- -30°C to 90°C

**SAFETY FACTOR**

- 4:1

I.D ∅		O.D ∅		Working Pressure		Bursting Pressure		Weight
